High Density Cable Manager

OR-HDCM-001

The High Density Cable Manager was created to organize and protect connections to the High Density Panel. The cable manager can be combined with the cable management spools to manage excess slack. The cable manager can be used in conjunction with the
cable management bar included with the patch panel.

features & benefits

- **Rear Mount:** Mounts to back of patch panel
- **Velcro Tie-downs:** Multiple velcro tie-down points for securing cables
- **Fiber Spool:** Contains 2 fiber spools for improved fiber cable management
